

CONTENT AUTHORIZATION LETTER

授权书 · NetEase Minecraft Platform

This document confirms the official authorization granted for the publication of Moog's Mods structure content on the NetEase Minecraft platform (China Edition).

Authorizing Party (Rights Holder)

Name	Finn Setchell
Brand	Moog's Mods (Jynge Setchell Mods)
Organisasjonsnummer	934 829 964
Country	Norway

Authorized Party (NetEase Publisher)

Creator Name	小金组件 (Xiaojin Components)
Platform	NetEase Minecraft (China Edition)

Authorization

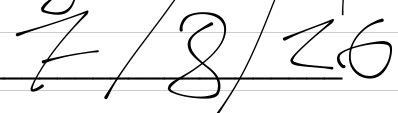

I, Finn Setchell, owner of Moog's Mods, hereby grant 小金组件 (Xiaojin Components) official permission to adapt and publish my structure mod content on the NetEase Minecraft platform (China Edition).

This authorization covers the following Moog's Mods structure mods and any future titles I approve in writing:

Moog's Voyager Structures, Moog's Voyager Structures Integrated, Moog's Nether Structures, Moog's End Structures, Moog's Bountiful Structures, Moog's Soaring Structures, Moog's Missing Villages, Moog's Mineshafts Reimagined, and Moog's Temples Reimagined.

小金组件 is authorized to publish this content as the official NetEase version. All published packages will carry the "Moog's" name. This authorization is granted under a separate private agreement between the two parties.
